✓ LEARN TO SWIM CLASSES

GROUP LESSONS \$60

Group swim lessons are conducted by experienced and trained instructors with iSwim Academy. The instructor to student ratio is 1:3-5. Similarly skilled and aged students are group together, allowing students to accomplish more skill work per class. Group lessons require some knowledge of water, safety, and swimming skills. At a minimum, students should not fear the water. Each lesson is 30 minutes long and a session consists of ten classes (M-F for two weeks).

► GUPPIES (PARENT & ME CLASS):

(6 -36 months old) This class is designed to have a parent (or designated adult) in the pool with child for all classes. Parents are taught important water safety for infants and toddlers. Children will practice how to properly enter the water and float as well as other survival skills.
